Alex and Sue Dodson have worked hard to make this reunion a great success. Lets not disappoint them. As usual Billy Houston is doing a excellent job of finding our lost Shipmates. I don't know how he does it but I know that crew members sure appreciate his efforts. Sadly he also informs us of those who have passed on to Davey Jones Locker. Billy has found quite a few new shipmates since our last newsletter, however we will not publish them in this issue as it will be a short one due to our editor, Tim Shaffer, taking a well deserved leave. He will be back on the job in August. John Tawney is printing and sending out our newsletter. Hope to see everyone in Buffalo, September 14-18, 2009. If you have any questions feel free to call me.
